Is there a difference?

Yes! Members *purchase* valuable benefits, such as unlimited admissions and discounts on programs and/or Store items. **Donors**, on the other hand, receive no goods or services in exchange.

We appreciate Members as part of our "Alcott family" -- they help tell our story to others. At the same time, we rely on Donors to meet annual operating expenses and cover the costs of meticulous historic preservation work. Members and Donors are vital partners in our mission.

We invite you to consider helping Orchard House even more by making a tax-deductible gift today, in addition to your Membership dues.

**Enclosed is a gift to Orchard House
in the amount of \$ _____**
